WORK EXPERIENCE

Z.Kovaliova spent her early career with international consulting firm Deloitte, including two years in the London office, where she was a Senior Manager responsible for delivering audit and advisory services to top financial sector companies in the United Kingdom. During her 14 years with Deloitte, she advised various sectors companies on numerous complex operational, finance and regulatory issues. This led to her appointment as Lead Director at American International Group Inc, Fortune 100 Company, where she was responsible for the finance oversight and advising business on strategic decisions in the EMEA, Canada and Latin America markets, also serving as Global Change Leader responsible for a major finance transformation across international operations. After returning to native Lithuania, founded her own business consulting firm, held senior positions in the Vilniaus prekyba Group subsidiaries and served on the board at Lietuvos paštas where she also was a chair of the Audit and Risk committee. Now she serves as an independent Board member for Būsto paskolų draudimas.
